

CONNECTIONS SURGERY

Thursday 21 March 2019

NIE Networks
Unit 3, 21 Old Channel Road
Belfast BT3 9DE

#getconnected

Reservations

Reservations to be made via e-mail to
ConnectionDesign@NIENetworks.co.uk

Reservations should include the following:

- Name of attendee
- Number of attendees (if additional)
- Outline description of proposed project or area for discussion
- The more detail that can be provided, the better our staff will be able to prepare and provide you with more detailed information
- e.g. Location, area, type of development (housing/office/industrial/generation), approximate electrical load (peak kW/kVA or MW/MVA)
- Attach any site drawings or layouts if possible
- Contact telephone number

We provide electricity connections to homes and businesses across Northern Ireland. This connections surgery event is aimed at any property developers, business owners, construction contractors, renewable developers or anyone else who would like to discuss potential developments that require new or enhanced electrical connections to the grid.

You will be able to book a private appointment to discuss any aspect of your development with our experienced staff.

We will arrange for either construction engineers, planning and pricing engineers or network design engineers to be on hand to assist, dependant on the nature of your query.
